Definitions

1) Capped non-professionals include data usage by those defined pursuant to the Non-Professional Subscriber policy paying the flat per subscriber rate. Includes non-professionals paying on a per-quote basis that are capped at \$1.00/month.

2) Quotes include data usage for those professionals that choose to report on a per-quote-packet basis as well as non-professionals that are not capped at \$1.00/month.

3) Professional subscribers are deemed to be those that do not meet the criteria defined pursuant to the Non-Professional Subscriber policy paying on a per device basis.

4) Number of households provides an estimate of households reached based on vendor reporting of television broadcast data.

* Numbers have been slightly adjusted to reflect correct reporting.
